We constructed 100 different flocks.
50 of the 100 flocks were geographically based.
We discarded those. Here are the 50 that remain:

national political journalists	Team Trump	Youtubers
Christian constitutionalists	pop music	Bernie Bros
#uniteblue	nationalists	Palestine related
race and gender	black Hollywood	#tgdn
cultural elites	mainstream media	education
the Trump train	Wisconsin	reactionaries
Brexit	data journalists	firearms and guns
comedy	black LGBTQ	#blacklivesmatter
white nationalists	pastors	climate change
sports journalists	progressive media	Catholic church
CruzCrew	Hollywood animation	Huckbee supporters
Middle East correspondents	LGBTQ	public health
conservative media/pundits	political science	men's self help
the literary world	tennis	US congress & senators
news junkies	digital security	NFL
Afrikaners	Parkland activists	theology
the resistance	economics	

Every day, we summarize the discussions by flock.

a. **Targeted sampling**

b. **Flock identification**

c. **Public opinion extraction**
